Learn flower arranging in August at Boca's Field of Flowers

By Dave Rossman | Forum Publishing Group
July 30, 2008

[Boca Raton](#) – Free classes in how to arrange roses are being offered at the **Field of Flowers** shop, 8177 Glades Road, at 2 p.m. Saturdays through Aug. 30.

"People can come observe and listen to someone from our staff giving a demonstration, but they won't actually be arranging flowers," said **Donn Flipse**, owner of the shop. "We have other classes where people can come in and arrange flowers and also keep them, but the free classes are just demonstrations."

Field of Flowers offers a range of floral classes. Donn Flipse said the August class was developed to coincide with the chain's summer-long rose celebration.

The free rose arranging class also is being offered at the shops in [Coral Springs](#) (2562 N. University Drive) and in Davie (5101 S University Drive).
